Camper storage is located on the north edge of the club, along the old haul road.

The camper dump station is located near the back gate.

Camping Rules & Sign-In Instructions:

Fill in your name, key #, and the campsite name. If you have a guest, enter their name & license #. You must be with your guests while they are on club grounds.

Enter the date you moved your camper/tent onto the campsite and enter each day you actually camp. You are allowed to stay 2 weeks or 3 weekends (17-day max). Enter the date you move your camper/tent off the campsite.

No matter how many days you have camped, you must move your camper/tent completely off all campsites for 4 consecutive days between stays. Either move it to the storage area or take it home. Guests may not use storage areas.

All campers & tents must have the member's name or key number attached. Campers must have a current license sticker.

No camping within 300 ft of the swimming area or within 20 ft of any shelter or dock.

Camping rules will be enforced as follows:

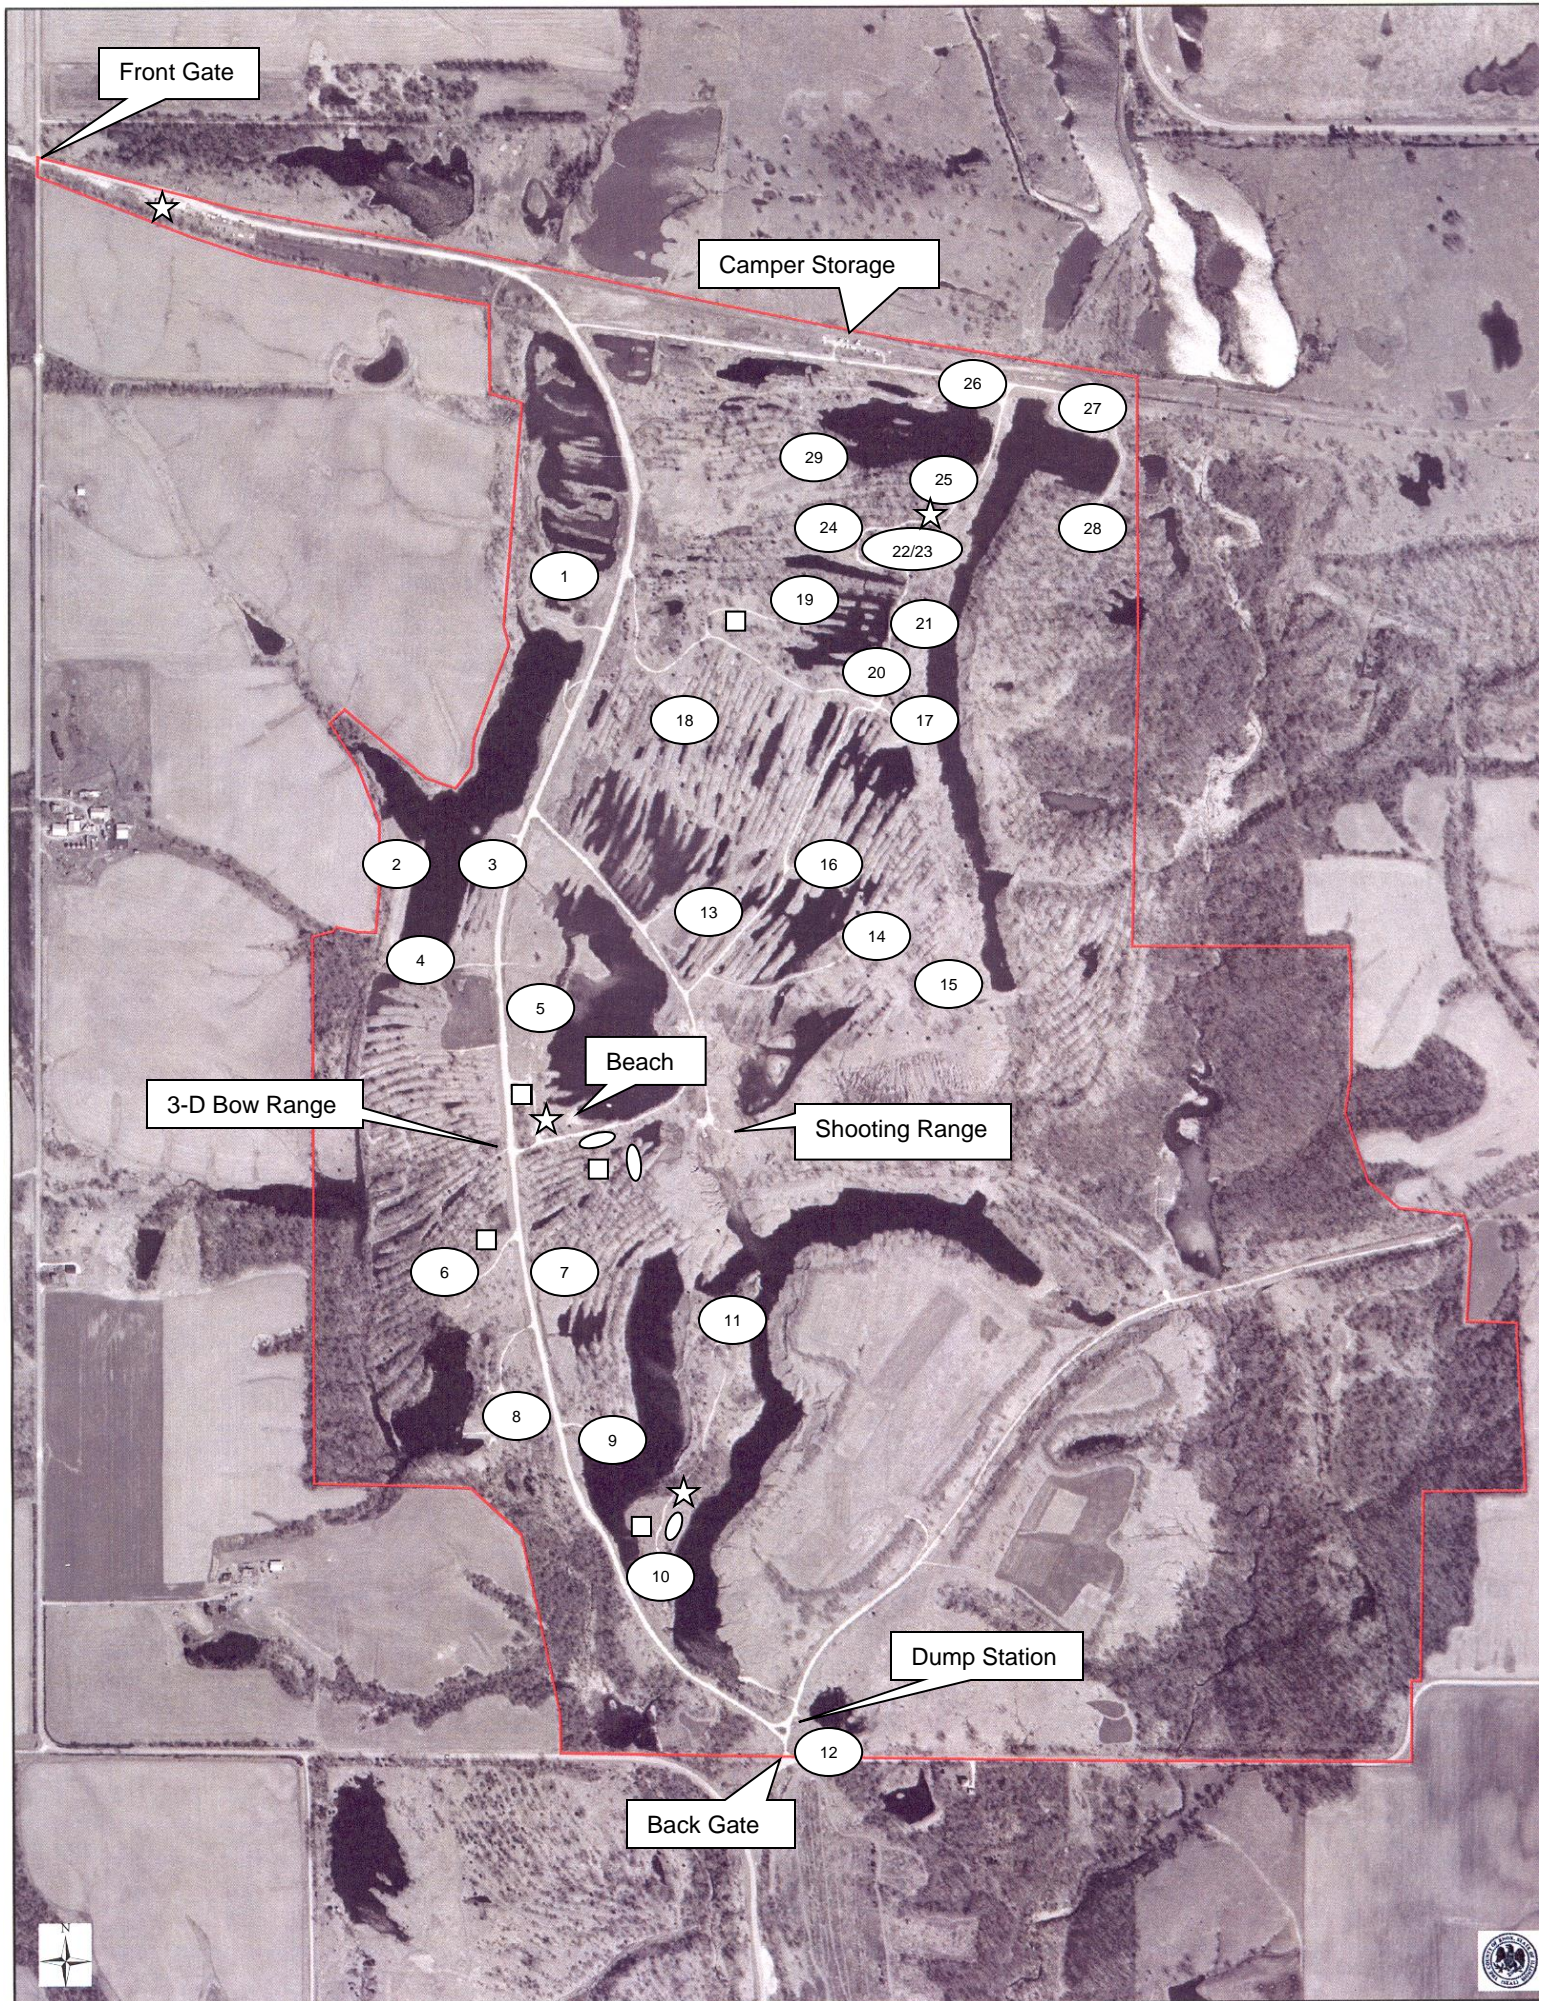

Campers will receive one warning.

If the violation is not corrected within 7 days or, if it is the second violation of the season, they will lose their camping privileges for 1 year from date of violation.

During waterfowl seasons, camping is only allowed south of Mallard Beach, or at Oley's campsite.

Guest campers cannot stay more than 3 times per year total including the hog roast and other club events.

If you have questions, contact a board member or come to a board meeting.
